Help Shape Next Year's Class at Yale

Want to help shape Yale's next incoming class? You can help by volunteering to interview prospective students in your area. Visit the Alumna Schools Committee website at asc.yale.edu, then click on the blue "New Volunteers" button at the bottom left. A more complete description of the program is on our club website. The ASC director for Vermont is Samantha Langevin who can be reached at samantha.langevin@gmail.com. High school seniors are just

now working on their early deadline applications, so it's a great time to help discover the next Yale superstar!

Book Club Looking for Next Selection

The Book Club held its second meeting in September and had a lively discussion on *A Gentleman from Moscow*. The next meeting is tentatively set for January 26. We are still suggestions for the next title. Please submit them to Mary Jane Mona (maryjanemona@gmail.com) no later than November 15. All Yale Club of Vermont members are welcome to participate whether for just a single title or all sessions.

Nope ...

The hoped-for event for the Yale/Dartmouth football game didn't happen, but we're trying to coordinate with the Harvard Club to do something for The Game. Details to come. (PS- Dartmouth won in overtime.)
